

14 October 1954

MEMORANDUM FOR RECORD

Subject: IWG Quarterly Activity Report (July - September 1954)

During the third quarter IWG interest was focused primarily on (a) the proposed FY 1955 OIR economic defense staffing program; (b) the need for establishment of a permanent record and/or assessment of intelligence furnished JOC during the list review, and (c) MDAC requirements for [REDACTED] MDAC also requested IWG assistance in (a) preparation of papers on special aspects of Soviet trade tactics and (b) development of techniques to trace the movement of decontrolled commodities. A subgroup comprising MDAC, Commerce, State and CIA members was designated for this latter purpose. In addition, the Second Annual Progress Report of the IWG was published, the work of the committee being "noted with appreciation" by the IAC. A change in name of IWG to that of Economic Defense Intelligence Committee was approved by IWC members.
